Christ the King Cathedral School

Spring 2018

Dear CTKC School Families,

Families are the lifeblood of our school community. As an extension of your family, we, the faculty and staff of Christ the King Cathedral (CTKC) School, thank you for the privilege of assisting you in the education and faith formation of your children this school year.

An important part of the mission of CTKC school is that it is an available, affordable, accessible, and preferential option for Catholic families (who are the first and primary educators in the faith) in the city of Lubbock. Our families represent almost every parish in the city. We recognize that our parish families only flourish to the extent that parishioners invest in them, both spiritually and materially. Each year, to encourage and incentivize active participation in the life of their parish, **CTKC** parish subsidizes the education of EVERY participating and practicing Catholic family (as verified by their pastor). This year, CTKC parish supported 183 students from parishes other than Christ the King and 134 CTKC parishioners.

Providing the very best Catholic education for our children is an expensive venture. This school year we are anticipating that the **actual cost** for educating a student at Christ the King Cathedral School will be $6,506. The average tuition collected, after parish discounts, multiple child (family) discounts, and financial aid is $3,990 per student. The difference of $2,516 is met from fundraising efforts of our Home and School Association, CTKC School Foundation, grants, and **from the generosity of Christ the King Cathedral Parish.**

This week as we open registration for the 2018-2019 school year, you will see differences in tuition charges. Unfortunately, CTKC parish cannot sustain the same level of contribution to the school and provide for the growing ministries of the parish. After lengthy discussions, the school finance committee and school board voted to approve supporting practicing and participating non-CTKC parishioners at a level of $850/student and CTKC practicing and participating parishioners at $1000/student for the 2018-2019 school year. **The board encourages all families to maintain active participation and support financially the parish that you represent and to share with pastors and the parish community the gift of Catholic schools.** The goal of the Christ the King School Board is to build relationships and encourage financial support from all parishes represented at the school. Though we are communicating with your parish priests, your personal assistance in communicating this goal with your pastor will be helpful.

The attached tuition schedule has been established for "legacy" families who are currently registered in the school. There is a 4% tuition increase, and no differentiated tuition for PreK-12th grade.

New family tuition rates will be differentiated between Elementary, Jr. High and High School, and more accurately reflect the true cost of education at these levels. As a legacy returning family, re-enrolling for the 2018-2019 school year, you are grandfathered and you will be charged a lesser rate than new families.

Sincerely in Christ,

Christine A. Wanjura

CTKC School Principal

Legacy Families (Families with children enrolled during the 2017-2018 school year)
