District PSIA Competition Sat., Feb. 27th - ACTION REQUIRED!

CTK is hosting this year's district competition on Sat., 2/27, with 1st-8th graders representing ten schools from across the area as well as from Amarillo & El Paso! We need dozens of volunteers at the competition: contest directors, graders, etc. If your child is competing, we especially need your help. Even if your child is not competing, we would love your help! Parents who have competitors need to sign up for volunteer positions on the sheet outside of Mrs. Ambrose's office. You also need to return competition permission slips and money by next Tuesday, 2/23. Thank you parents, and GOOD LUCK students!

Parents,

You should receive your pre-enrollment materials for the 2010-2011 school year in the next couple of days. Please note that the early enrollment deadline is March 12th. CTK Administration is busy preparing for next school year. Please help us out by pre-enrolling early!

**Congratulations
to the Boys' Varsity
Basketball Team on their
1A Bi-District Title!**

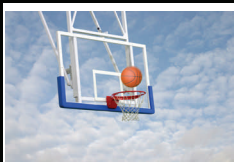

CORRECTIONS!

Junior Anne Hancock's name was inadvertently left off of the CTK Science Fair list. Anne will also be advancing to compete in the South Plains Regional Science & Engineering Fair at Texas Tech next month! We apologize for the oversight!

and

The Teacher Appreciation Committee apologizes for leaving off two other hard working committee members for the dinner on 1/30:
Edward & Rosa Moreno
Thanks for your help!

REMINDER!! Lunch order forms are due this coming Monday, 2/22. Order forms can be printed from the Ed-Line website.
