This year our school will be participating in City Bank's Community Rewards program. This program is designed to assist local non-profit agencies and schools by awarding 10 \$5,000 rewards during the week of Christmas. Recipients will be those agencies or schools that receive the most online votes between this Sunday, 11/8, and Friday, 12/18. Those 18 years or older can vote as often as they wish for their favorite charity during this time period. Votes will be tabulated automatically and updated daily so we can see our progress. Please go to www.citybankonline.com to start voting on Sunday - vote as often as you can until 12/18!
