

# Christ the King Junior High 2018 Summer Reading Project

Dear Parents:

Summer can be a season full of good times and fun memories, but did you know that kids might experience learning losses when it. It's called "the summer slide" (and that isn't the one at the park). So what can you do as a parent to prevent the summer slide? Here's one solution....

When Nazis begin "relocating" the Jews of Denmark, Ellen moves in with the Johansens and pretends to be part of the family. As Annemarie helps shelter her Jewish friend from the Nazis and embarks on a

dangerous mission, she learns how to be brave and courageous to save her best friend's life.

## Summer Reading Projects

### 6<sup>th</sup> Grade

Select one of the assignments below for *Number the Stars* and complete. Your second assignment will be a book report on *The Lightning Thief* in the form of an introductory letter to me (see attachment).

**1) Travel Brochure:** Design a travel brochure for the destination of the book setting. Clearly tie the destination to your book. Illustrate and advertise the setting of your novel. You will use words and pictures to convince your reader that this setting is an exciting (interesting, educational, relaxing, scenic, historical, etc) place to visit. Your brochure must include facts about the destination, reasons for visiting, possible attractions, events or sites to see. It must include text and graphics. **You must justify and provide evidence from the text that relates to the information you put in your brochure.**

**2) Characterization Vacation of a Major Character:** Create visually appealing poster (at least 8 1/2 x 14) that reflects your impression of a major character. Draw, paint, cut out or copy and paste a large, vivid picture that represents how you visualize a major character from the novel. In addition, identify three items that your character would carry with them on vacation. **Justify your items using textual evidence.**

**3) Storyboard:** Complete a series of 5 drawings that show 5 of the major events in the plot of the book you read. Your story board must include captions for each drawing so that the illustrations can be understood by someone who did not read the book. On the back, justify in one paragraph (7-10 sentences) why you chose to create your storyboard the way you did.

**Make sure to use text evidence and quotes from the text to help support your events.**

**Paper Doll:** Choose a character from your novel. Create an illustration of your character according to their actions or their appearance. On your illustration you will fill out the body parts by answering questions, **providing text evidence and an explanation.** You will have a total of 12 body parts with evidence and explanations. For example: Hands: page 152 "I won't! I won't go home! You can't make me!" Jonas just learned what the real meaning of 'release' was and he is now struggling with what to do with the information. Does he leave the community and Gabe and risk Gabe receiving the same fate as the twin? Does he stay with the Giver and ignore the emotions he feels deep down? Does he confront his father and the community? (list of body parts and questions are at the bottom of this document)
