

Summer Reading History Project for 7th grade

Due: 8/24/2018

Supplies: poster board, marker/pen/colored marker, standard string

For your English summer reading project, you should have read *The Devil's Arithmetic* by Jane Yolen. In addition to that project, you also have an assignment for the beginning of the year for this American History class.

Using the European map provided, you will place the following Nazi death camps on to the map:

Dachau	Mittelbau-Dora
Mauthausen	Janowska
Flossenbürg	Kaiserwald
Auschwitz - Birkenau	Natzweiler-Struthof
Belzec	Neuengamme
Belsen	Ravensbrück
Buchenwald	Sachsenhausen
Chełmno	Sobibór
Majdanek	Stutthof
Treblinka	Theresienstadt
	Westerbork

Once you have completed the map, you will need to print out a larger version and post it on a standard poster board. Once you have done that, using a marker, sticker, or colored pen, pinpoint the locations and connect them using white string. Place your name on the back of the poster board and turn in for credit.
