

# Gear Up for 4th Grade

In order to get you ready for success at CTK, here are two easy assignments to work on over the summer (yes I know, homework over the summer). In 4th grade, we really hit Religion hard and dive deep into our Faith. That being said, one of our assignments will deal directly with Scripture, while the other will get you going on one of our novels series. Both assignments are due back by August 16, 2019.

## King Arthur and the Knights of the Round Table

1. Students are to read this novel in its entirety before the start of the next school year
2. Then you are to write a summary of the story in your own words using 1-2 paragraphs.

You can find the proper edition of the book here: <http://bit.ly/kingarthurctk>

## Parables of the Gospel of John

1. Students are to read their favorite parable from John's Gospel.
2. Using 3-5 sentences, tell the lesson of a parable in your own words.
